

What is a NapNap voucher? Well, it's like a book token but for nappies! You can ask for one as a gift from friends/family (eg for a baby shower, a leaving present from work, a new baby gift, or even a birthday present). Or you can buy one for a friend you would like to persuade to use cloth nappies. Buy them from: www.napnaphq.com

If you are lucky enough to have been given a NapNap voucher, please read on for details of how you can redeem it at Stratford Nappies.

1. First, choose which lovely nappies you would like to buy and add them to your basket. (Please note that your NapNap Voucher can only be exchanged for washable nappies or wraps. You are of course welcome to order accessories as well, but please make sure the value of nappies/wraps in your order exceeds the amount of the voucher.)
2. At the checkout, please type the number on the voucher in the Notes box so it can be verified.
3. Then choose your method of payment:
 - if you have a **PayPal account** and choose to pay this way, I will refund the value of your voucher to your account when I process your order;
 - if you want to pay by **bank transfer, cheque or postal order**, please deduct the amount of the voucher from your payment;
 - if you want to pay by **credit card**, you can either:
 - select the PayPal option and proceed as above – I will then issue a refund for the voucher amount which will be credited to your card;
 - alternatively, select the “Cash” option – I will send you an invoice for the reduced amount, which you can then pay by credit card.

If you have any questions on this, please e-mail me on karin@stratfordnappies.co.uk or telephone me on 01759 372884 or 07779 565559.

Thank you for using your NapNap voucher at Stratford Nappies ☺
